

NOTICE OF PUBLIC WORKSHOPS

CAP AND TRADE – RAIL AND TRANSIT PROGRAMS

The Administration is seeking public input on the investment of cap-and-trade auction proceeds to support the State's effort to reduce greenhouse gases through two new transit and rail programs established in Senate Bill 862 (Chapter 361, Statutes of 2014):

The Transit and Intercity Rail Capital Program & The Low-Carbon Transit Operations Program

At these workshops, the Administration will present background on the requirements of state law, and ask the public to provide feedback that will inform the Administration's crafting of draft program guidelines. After the workshops and draft guidelines are developed, additional public meetings will be scheduled to receive comment prior to adoption of final guidelines.

Three public workshops will be held at the following locations that all benefit from nearby rail and transit services:
