Hi SB 125,

Could these be added for Public Comment: SB 125 Transit Program #11.

How to fund “Dial-A-Ride” for those seniors & those with disabilities (or anybody) to get safely & quickly to major transit hubs in Smaller Counties?

For example,

Calaveras Connect transit service in Calaveras County used to travel from Angels Camp to Stockton to meet up with the **ACE** train at the Robert J. Cabral Station in San Joaquin County to get back & forth to the Diridon Station in San Jose on **ACE**. But with a combination of limited headways & limited funding, this convenience stopped.

And how to fund to get from the downtown Santa Cruz transit station to the San Jose Airport.

Thank you

Mike Pisano – Santa Cruz County
